

Dear Friends of Colby's Stars Foundation,

We are holding our 9th Annual Kicking Cancer's Butt Kickball Tournament at the Rices Landing Athletic Club Fields in Rices Landing, PA., on Friday & Saturday, May 15-16, 2026. This kickball event will consist of co-ed adult teams engaging in bracket type play, along with a 15 and under tournament for kids. This two-day event is where we will raise money to "Pay it Forward" to local children suffering from cancer. We are in need of concession stand food items, drinks, basket auction items and monetary donations. **Below you will find levels of sponsorship to allow for local businesses and companies to be commended for their dedication and commitment through advertising opportunities.**

Colby's Stars Foundation, Inc., is a non-profit organization designed to assist others in their battle against cancer and other life-threatening illnesses. When you donate, you are making a commitment to help local children and their families fight their battle against these health challenges. Your donation allows us to provide financial comfort to a child during trying times of illness. Please consider helping to "Pay it Forward" by donating today. All donations are tax deductible.
